

Article 1 - Scope of application

1.1 The terms beginning with a capital letter have the meaning defined in the present Contract, or, failing that, by the definition given in the Infomaniak Lexicon available on the Site.

1.2 The Special Conditions apply without restriction or reserve to the Newsletter tool service (hereafter "Newsletter") offered by Infomaniak. They complete but will prevail over the General Conditions of Use (hereafter referred to as "GCU") if a contradiction should appear between these documents.

1.3 In accordance with Infomaniak's GCU and according to the terms and conditions set out therein, these Special Conditions may be modified in order to take into account any legal, jurisprudential or technical evolution.

Article 2 - Description of the service

2.1 Infomaniak provides the Customer with a Newsletter Tool offering the standard functions for such a tool (details are provided on the Site): - create and send emails; - create registration forms; - import contacts (GMail, WorkSpace, CSV file); - export contacts; - consult statistics on emails sent.

Article 3 - Billing and Credits

3.1 A credit is equivalent to a sending to an email address.

3.2 The validity of credits is not limited in time.

3.3 Credits are not refundable.

3.4 In the event of a transfer of the Service to another Organisation, credits are not transferred.

3.5 Customers who use other Infomaniak Services receive free credits as defined on the Newsletter sales page on the Infomaniak Site.

3.6 If the Customer uses several Infomaniak products that grant free credits, these credits are cumulative with regard to the number of products concerned. For example, a Customer who has Cloud hosting with a Mail Service will benefit from 3,300 free credits/month, as long as these or part of them are used.

3.7 Thus, the free credits must be understood as a monthly quota and not cumulative over time. For example, if you have a quota of 1,000 free credits and you use 500 credits at the beginning of a month, you will again have 1,000 free credits to use the following month.

4.2 All messages must be sent with the explicit consent of the recipient(s). The recipient(s) must have given the Client written or electronic permission to contact him/her by email via the double opt-in model.

4.3 The recipient(s) must have the possibility of unsubscribing from the mailing list from each email received and Infomaniak automatically includes an unsubscribe link that the Customer cannot remove.

5.2 As a mail host and provider of an emailing service, Infomaniak can and must take all necessary measures to prevent any abuse of SPAM.

5.3 Any justified complaint of SPAM received by Infomaniak may result in the suspension or deletion of the Organisation concerned.
