They complete but will prevail over the General Conditions of Use (hereafter referred to as "GCU") if a contradiction should appear between these documents.

1.3 In accordance with Infomaniak's GCUs and according to the terms set out therein, these Special Conditions may be modified in order to take into account any legal, jurisprudential or technical evolution.

1.4 The contractual relationship between the Customer and the purchasers of the tickets (hereinafter the "Purchasers") is not governed by the present Contract. Article 6 - Taxes and duties

reserves the possibility of contacting one or more Purchasers to verify the Customer's statements.

8.4 In the event of legitimate doubt about an Event or about the Customer, the amounts collected will be retained by Infomaniak Entertainment pending the successful completion of the Event or pending reimbursement to the Purchasers.

8.5 The count of the tickets sold and the transfer to the Client of the balance of the remuneration for the tickets, after deduction of all the costs and indemnities within the framework of this contract, is carried out every 1st of the month within a maximum of seven (7) working days on the basis of the sales made during the previous month.

8.6 The Customer may request advance payments on outstanding receipts from the Administration Console for a fee of CHF 5 per transfer. The request will be subject to an identity verification procedure.
